- PERSONAL INJURY LAW

De Silva Hebron, Barristers and Solicitors are based in Darwin in the Northern Territory of Australia and practice in all areas of the law. De Silva Hebron represents individuals, small to large business, property managers, associations, insurers, other legal firms and the public sector.

De Silva Hebron has a solid reputation in all areas of litigation including company and contractual disputes, construction law, bankruptcy and insolvency, partnership disputes, debt collection, professional negligence and work health/medical negligence. The commercial department offers a broad range of legal services ranging from the sale and purchase of a business, finance and partnerships agreements, liquor licencing, trusts, wills and estates.

We are committed to providing high quality legal advice and representation for our clients, and pride ourselves

on providing realistic, practical and efficient solutions to your legal problems.

De Silva Hebron's biggest asset is its people. The team at De Silva Hebron understands the Territory lifestyle and environment, because they have lived in it almost all their lives. Years of local knowledge means they know what approach is the best approach, giving them an automatic edge over interstate practitioners.

**If you require legal advice, please contact one of the professional staff at De Silva Hebron, and with their knowledge and experience, they will assist you with all your legal requirements no matter how large or small.**
